

GRE Vocabulary

"The soup kitchen would like to announce that it has a serious of those cans of jellied cranberries that no one seems to want, but it could still use at least ten Thanksgiving turkeys."

"Dad is so that we can't get a rise out of him no matter what we do - Jody got a tattoo, Max declared himself a communist, and Helen won a Rhodes Scholarship. No response! Dad just nods and says "Alright, then.""

"After Will shot a ball entirely off the pool table, knocking a woman's purse off a bar stool, her friends laughed hysterically and called him "purse-snatcher" all night, but he took it as and bought the next round of drinks."

"All squares are rectangles, all candy bars are rectangles, therefore all squares are candy bars" is clearly a argument."
