"I think I forgot my wallet at home. How are we going to pay for this restaurant bill?"

exclaimed Clara.

"The best things in life are always free. We could just not pay," bemused Joey.

"I appreciate the Joey, but we can't just dine and dash. I'll call my mom and she can come here to pay," Clara responded."

"After the presentation was given to all of the managers at Twitter, Jack Dorsey encouraged everyone to relay the information to everyone below them thus creating a effect."

""Don't talk to Carmine Falcone when he is in a bad mood. We all know how he is and there's no telling what he'll do to a new recruit such as yourself. The last person to get on his a bad side wound up mysteriously dead by the docks, don't let that be you," warned Tony."
